

**REMARKS**

It is noted that the final claim of the international application is numbered "60", even though it follows claim 64. We have renumbered it as claim 65, and corrected its dependency.

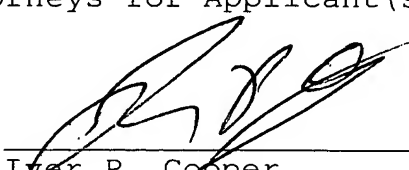

After entry of this amendment, claim 1-65 remain in this case. The amendments to the claims are being made to eliminate all multiple dependencies, so as to reduce the filing fee, and to place the case in better condition for examination. Please enter this amendment prior to calculation of the filing fee.

Prompt consideration on the merits and allowance are earnestly solicited.

Respectfully submitted,
